

DARTS Update March 2024

It seems that every week there is a new study covering some aspect of Albany or Dougherty County. Attached is the March 2024 Newsletter for DARTS. DARTS is the local federal transportation planning unit for Albany, Dougherty County and the southern portion of Lee County.

The newsletter highlights two ongoing studies and enhancements to the airport cargo ramp. It also directs the reader to a survey conducted as part of an update to the Metropolitan Transportation Plan, a plan that will govern transportation policy and planning in the MTP through to 2050. Please take a few minutes to take participate in the survey.
